Subject: Thank You for Your Consideration Following the CEO Interview Process

Dear Members of the Board of Directors,

I would like to extend my sincere appreciation to each of you for the time, insight, and thoughtful dialogue throughout the interview process. It has been a privilege to meet with the Board across four separate sessions over the past six months in New York City. I am grateful for the opportunity to discuss the organization's strategic direction, operational priorities, and long-term growth objectives in such depth.

I also recognize that executive searches of this caliber are often supported by firms such as Korn Ferry or Spencer Stuart. Accordingly, I am especially appreciative that CoStar allowed me to engage directly with the Board for consideration, which I view as both an honor and a reflection of the organization's openness to evaluating leadership from multiple perspectives.

I recognize the level of commitment required from each of you to conduct a comprehensive executive search, and I thank you for your professionalism, transparency, and stewardship throughout every stage. I remain very enthusiastic about the opportunity to serve in this role and am confident that my Ivy League education and more than fifteen years of relevant private equity experience position me to lead CoStar effectively.

Thank you again for your consideration.

Respectfully,
Matt Sievering
